Transkript

A class from England is visiting their German partner class. At their first meeting, the English pupils introduce themselves to the German pupils.

(fade in, voices)

Teacher: OK, everybody, welcome to our partner class. We're really glad to have you all here in Germany. First, I think you should introduce yourselves and say a few words about your hobbies, families, your likes and dislikes and so on. OK? So, Fiona, would you like to start?

Fiona: Well then, my name is Fiona and I'm 14 years old. I've got two brothers who are both older than me; one is 16 and the other one is 19. My hobbies are swimming and music. I'd love to play an instrument, but I just don't have enough time for it. And it's quite expensive, anyway. But sometimes my brothers take me to a concert, so I saw Robbie Williams last month. That was cool, I really love him! My favourite subjects at school are P.E. and Music, of course, but I hate Maths and Biology because they're boring, and I don't like the teacher. And I'm in the drama club this year. We are going to put on a kind of musical called "The Rocky Horror Picture Show", which is great and has got a lot of cool songs in it. Er, anything else...? Oh, yes, I like cooking, and my favourite food is Chinese chicken with lots of vegetables. I love it!

Teacher: OK, thank you very much, Fiona. Well, then it's the next one's turn. What's your name?

Michael: Hello everybody, my name is Michael. I'm 14 years old, too, but I don't have any brothers or sisters. I'm a big football fan and my favourite team is Arsenal. Whenever it's possible, I watch them playing. Sometimes I play football myself, but unfortunately I'm not very good at it. That's why I'm not on the school team. Er, what else can I say?... Oh, yes, I'm also in "The Rocky Horror Picture Show", I'm one of the dancers. Usually, I only listen to HipHop music like Eminem, Dr. Dre and so on, and I've learnt how to break-dance a bit. But dancing in the show is really cool as well and a lot of fun. And I like movies, especially fantasy or science fiction films like "Lord of the Rings" or "Matrix". But I don't go to the cinema very often because it's just too expensive. Instead, I go to the video shop and rent or buy a DVD. Then I can watch it at home with some friends. Keanu Reeves is my favourite actor, he's so cool! ...Okay, I think that's enough, next one, please.

Teacher: Thank you, Michael. Any questions? Okay, then. Let's go on to the next person, please. What's your name? Oh yes, Christine ... *(fade out)*
