#Song fading out#

So, everybody out there, how does this sound? Feels good? Now here's some good and some bad news for you Robbie addicts. Bad news first? Okay, the concert that you've been waiting for for ten months will not take place tonight. But don't worry; it hasn't been completely cancelled but only postponed because in the end so many of you crazy fans didn't get any tickets for the Royal Albert Hall. The Royal Albert Hall is just not big enough for all of you. So guess what, you can still buy tickets, and Robbie is going to play in Hyde Park instead. The concert will take place next week at the same time but with that great open-air feeling. Keep your tickets; they'll be valid next week. And because there are still tickets to buy, we got some for you!! You want to have them? Here's what you should do. Leave your telephone number with us and wait until we call you. Just answer the phone with this one sentence: I'm a Robbie addict, so give me the ticket! – Good luck and now enjoy more music by your idol!
