Dear Karin,
I hope that you're enjoying your holidays, too. My parents and I arrived in Edinburgh two days ago. We have just visited Edinburgh Castle. Because of its long history, it has become one of the most important tourist attractions in Scotland. The oldest building, St. Margaret's chapel, was built in the 11th century. Tomorrow we're going on a ghost tour. This is another famous tourist attraction. Right now we're sitting in a park with a great view of part of the town and up to the castle. You can see it on the other side of this postcard

Love,
Eileen

Hi Peter,
Look at the funny Scotsman with the bagpipe on the other side of this card! I'm on a round trip in Scotland with a group of other young people. I've already made a lot of friends. Yesterday we went to Glasgow. I didn't like the city because there were so many people and the traffic was terrible. Some of the people in our group got lost, and we had to sit around at the station for hours waiting for them. Tomorrow we're going to the Isle of Skye, which is connected to the mainland by a bridge. I hope that you're enjoying your time in Italy!
Love, Susan

Dear Michael,
Our school trip is great! In the youth hostel I share a room with Sandy, Mary and Kathleen. I'm sending you a postcard with a view of Loch Ness. Today I had to do my presentation about it. Thanks for your help again! The others really like the story about Nessie, the Loch Ness Monster. After my presentation we went on a boat trip on the lake. We were all sad that we couldn't find the monster. Tomorrow we're going to a city called Inverness.
Hugs and kisses,
Cary
